

CITY OF NEWPORT BEACH

ADMINISTRATIVE SERVICES Revenue Division

SUBCONTRACTOR BUSINESS LICENSE LIST

Dear Owner/Builder or Contractor,

All general contractors and sub-contractors who operate in Newport Beach must comply with the provisions as set forth in Municipal Code Sec. 5.04.020, which requires proof of a valid City of Newport Beach business license upon commencing their activity in Newport Beach.

Therefore, we request that building owners and/or general contractors complete the information on the reverse side of this letter. Your cooperation will prevent unnecessary inspections at your job site to ensure all contractors are licensed.

Please complete both sides of this form and return it to the Revenue Division. In order to verify your subcontractors' business licenses, you can visit the Revenue Division web site at: http://www.newportbeachca.gov/Revenue and follow the link to the Business Search

Should a contractor need to obtain a business license they may do so using our convenient online service at <u>www.newportbeachca.gov</u>, click on Online Services and choose Quest.

Should you have questions, please call 949-644-3141. We will be happy to assist you.

Thank you for your anticipated cooperation.
