NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE SCOTT PEOTTER:

Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of the City of Newport Beach, District 6, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of City Councilmember, in Newport Beach District 6, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

Scott Peotter is an embarrassment to our community and a failure as our city councilman.

He strongly supports high-density, high-rise development and even endorsed raising the height limits for developers on Lido. He fought hard to block the Museum House referendum by requiring the ten-pound petition and voted twice to approve the project.

Peotter has insulted his colleagues, compared a councilmember to notorious killers, and insulted residents who opposed his high-rise development plans. He violated the Brown Act by disclosing confidential closed session deliberations and broke campaign contribution regulations and political reporting laws. He misused the city seal and has been rebuked twice by the council. He is the subject of an FPPC investigation for election law violations.

He proposed speculating in the stock market with city tax dollars, voted for fee cuts and large settlements for his contributors and voted against the city sexual harassment prevention policies. Claiming to be a "fiscal conservative," Peotter uses his council position to collect compensation from four public agencies.

Our city cannot afford the extremist policies of a councilman who disrespects our laws and who mocks and insults residents who disagree with him. Vote to recall Scott Peotter.
