

Newport/Mesa ProLiteracy trains over 50 tutors and serves more than 175 adult learners each year by offering:

- One-on-one tutoring
- Small group classes
- Easy-to-use learning materials

Each of us can make a difference in the lives of our learners by volunteering to be a tutor, referring potential learners and tutors, and by supporting Newport/Mesa ProLiteracy with donations.

**The Rochelle Hoffman Memorial Award**  
Rochelle Hoffman was a dedicated tutor and  
volunteer in the literacy program  
at the Newport Beach Public  
Library. After a brave battle  
with illness, she passed  
away in the Spring of 2004.  
To honor her memory,  
Rochelle's family and  
friends established a  
fund which grants  
an annual award  
recognizing an  
exceptional adult  
learner in the  
program.

**Please join us  
for the 7th Annual
