

Cultural Arts Staff Activity Report for March 14, 2013 City Arts Commission Meeting

Charged Particles

Charged Particles really raised the library roof with some contemporary Jazz on February 10. The musicians, professors from Stanford University, are jazz musicians when they aren't teaching neurobiology or some such thing. Charged Particles welcomed Lynn (featured) to sing with the ensemble, much to the delight of concert-goers.

On March 10 Natur Early Music Ensemble will take the "stage", from 3:00 until 4:00pm, at Central Library.
