Harbor Resources Division

July 29, 2013

Dear Tidelands User (residential and commercial),

During the recent discussion on pier rental charges, the City Council made a commitment to take a look back in mid-2013 and to review the implementation process that the City undertook for both the residential and commercial piers. Specifically, the City Council is interested in the public feedback received as staff was calculating the square footage used for rental charges.

This is an invitation for you to attend a public workshop to discuss the implementation component of the pier rental charges. There will be two separate workshops (same content for both workshops) on two different weeks and at two different times to accommodate as many people as possible. The meetings will be held on:

Meeting #1

Thursday, August 15, 2013

3:00-5:00 PM

OASIS Senior Center

Classroom #1

801 Narcissus, Corona del Mar, 92625

Meeting #2

Wednesday, August 21, 2013

6:00-8:00 PM

OASIS Senior Center

Classroom #1

801 Narcissus, Corona del Mar, 92625

City staff will be reviewing the feedback we received during the implementation process with exhibits depicting specific examples where we can improve the process. I will have these exhibits posted online for you to review the week of August 5th here:

<http://www.newportbeachca.gov/index.aspx?page=2234>

The exhibits will also be available in hardcopy at the City Clerk's Office located at 100 Civic Center Drive, Newport Beach, CA 92660. Of course, we welcome your feedback on the implementation process and your constructive thoughts on improvements moving forward. If you are unable to attend in person, please feel free to contact me at (949) 644-3043 or cmiller@newportbeachca.gov and I will pass along your thoughts at the workshops. We look forward to seeing you at the workshops.

Respectfully,

Chris Miller
