1 <u>7/30/2013</u> <u>Comment Form - Card</u>	Need a door on the north (window) side of the corridor leading to the restrooms. Loud, nearly constant toilet flushing is a big distraction when seated in the reading area.	<u>Melissa Kelly responded via email as follows</u> : Thank you for expressing your concern about the noise in the area outside the restroom in the Central Library. We appreciate your suggestion, however safety and security prevent us from closing off that corridor with a door. The Library does offer other quiet reading

<u>2</u> <u>7/30/2013</u> <u>Comment Form - Email</u> <u>Natalie Basmaciyan</u>	How do I order a book online? So I can pick it up at the library when it comes in. And you notify me when it is ready to be picked up!	Natalie Basmaciyan responded vial email as follows: Good morning, to place a book on hold online, click on the blue "Place Hold" button on the right side of the screen. You then need to enter your last name and library card number and click "Submit." To select the pickup location, click on the small grey arrow and select one of the branches. When you are done, click on the "Logout and Start Over"

<u>4</u> <u>8/5/2013</u> <u>Comment Form - Email</u> <u>Debbie Walker</u> <u>Branch & Youth Services Coordinator</u> <u>8/5/2013</u>	On behalf of my daughter and myself, we wanted to say thank you for your summer reading program. We had a lot of fun with the 'reading is delicious' program. Not only did it keep us reading all summer, the incentives were fun.	Debbie Walker responded via email as follows: I received your e-mail regarding Summer Reading Program and how much you and your daughter enjoyed the program. I have shared your kind words with all of the Youth Services staff who work very hard to make the program fun and successful. We look forward to assisting you and your family throughout the yearbut it won't be long before the Summer Reading Program rolls around again. Again, thanks for the e-mail.		
5 <u>8/5/2013</u> <u>Comment Form - Email</u> <u>Melissa Kelly</u> <u>Support Services Coordinator</u> <u>8/5/2013</u>	Hi, we love the construction of the newport beach library. I was wondering if anyone there knows of the contact of the designers of the building as we would like to know the name of the tile from the staircase/2nd floor. I think it would look great at our residence. Thanks in advance!	Melissa Kelly responded via email as follows: We are glad to hear that you like the Library addition. We are all very pleased with the results of the many months of construction. In response to your question about the material on the stairs, this is the information that I have from the architectural firm. The flooring is a Basalt Limestone called Western Black from China. I believe the subcontractor for installation was Italian Stone and Marble. We believe that their source for the material was AG&M (Architectural Granit and Marble) out of Texas. The architects and designers for the project are: Bohlin Cywinski Jackson, Architecture Planning Interior Design, 49 Geary Street, Suite 300, San Francisco, California 94108, 415-989-2100. Thank you for using your Library.

<u>6</u> <u>8/5/2013</u>	I would like to meet in the library with a friend of mine to discuss an assignment. We will talk softly and only require a desk (ideally an internet connection too). Are there talk softly places available?	Natalie Basmaciyan responded via email as follows: Hi, the Central branch of the library has three Study Rooms to check out to the public. Customers must make

We have attempted to monitor the use of various newspapers by enacting a sign- out system at the service desk, and found that step creates an extra barrier to service. We try to make all of our resources readily available to customers, including reassembling and reshelving the newspapers throughout the day.
