

## **2013 CALIFORNIA BUILDING CODE AMENDMENT WORKSHOP**

**October 28, 2013, 3:00 PM – 4:30 PM**

**Civic Center Community Room**

**100 Civic Center Drive**

Dear Valued Member of the Community:

Every three years the State of California publishes the most current building codes for adoption and enforcement by the local jurisdiction. The new codes along with the proposed amendments will be introduced to City of Newport Beach City Council for consideration at their November 12, 2013, City Council Meeting for enforcement beginning **January 2, 2014**. Prior to the City Council meeting, staff is inviting you to a public workshop so that you may have an opportunity to offer your comments prior to the draft amendments being introduced to the City Council. Your comments will be included at the November 12, 2013, presentation to the City Council.

You may find a copy of the proposed draft amendments on our City of Newport Beach website at the following web address:

<http://www.newportbeachca.gov/Modules/ShowDocument.aspx?documentid=16961>

You may also find the draft document located under the **Building Codes** webpage found within the City website ([www.newportbeachca.gov](http://www.newportbeachca.gov)). You may use the search function located on the top of the City's website to locate the link.

If you cannot attend the meeting, then you are encouraged to email any comments and questions you may have to [sjurjis@newportbeachca.gov](mailto:sjurjis@newportbeachca.gov). Should you have any questions, please do not hesitate to contact me at (949) 644-3282.
