**Helpful  
Things to  
Know During  
Your Stay in  
Newport  
Beach**

## Please Conserve Water

*California continues to endure one of the most severe droughts in its history. We have strict conservation measures in place – please help save California’s water during your stay.*

- Take short showers of 5 minutes or less. Stop the water as you soap up.
- Turn off the water while brushing your teeth or shaving or lathering up.
- Run dishwashers and clothes washers only when full.
- Make sure outdoor showers and hose bibs are completely turned off when not in use.
- Report any leaks (like a toilet or faucet that runs) to your property manager.

## Trash & Recycling Collection

*Trash and mixed recyclable materials are collected on a weekly basis. Here’s what you need to know:*

- Trash goes in the cart with the **BLACK lid**. If you have more trash than will fit in the cart, please neatly and securely bag the extra waste and place the bags next to your trash cart on collection day.
- Place recyclable materials **ONLY** in the cart with the **BLUE lid** (if your rental unit has one). Never place trash in this cart as it will contaminate the recyclables and render many of them “unrecyclable.”
- There will be no trash or recyclables collection on Saturday, July 4.
- From June 20 through September 5, all homes on the Balboa Peninsula and short-term (weekly) rental properties on Balboa Island receive a second trash pickup on Saturdays.

## Collection Days

## Newport Beach Police

*Here to Serve*

A goal of the Newport Beach Police Department is to provide a safe, fun, family friendly environment for all to enjoy. They're available to assist you in an emergency, and please don't hesitate to ask one of our officers for directions or advice on fun things to do or see during your visit.

Having friends and family over for a party can be a vacation highlight. Please know, however, that the City of Newport Beach has some clear regulations in place to address parties that grow to be too large and/or are considered loud or unruly.

To learn more about the party regulations or boardwalk or bicycle safety, go to **nbpd.org** and choose "Community Information."
