

City of Newport Beach - Building Department

PLUMBING CODE POLICY

Effective Date	Subject	Policy No.
June 5, 2002	Approved Material for Underground Gas Line Installation	UPC 1210.1

Due to corrosive soil conditions and the marine environment found in Newport Beach and experience over several years with ferrous gas pipe installed in underground locations, the following shall be the policy of the Newport Beach Building Department: All exterior buried gas piping systems shall be of approved polyethylene (P.E.) pipe and installed in accordance with the currently adopted plumbing code.

Jay Elbetta, Building Director
