# GUEST SPEAKER DR. LUCY JONES

## **Dr. Lucy Jones, Seismologist and Author** Saturday, September 8, 2 p.m., Central Library Friends Room

Newport Beach Public Library presents Dr. Lucy Jones, one of America's leading earthquake experts, in a special program immediately following the 10th Annual Disaster Preparedness Expo held on the Civic Center Green from 11 a.m. to 2 p.m.

Dr. Lucy Jones, founder of the Dr. Lucy Jones Center for Science and Society and a Research Associate at the Seismological Laboratory of Caltech, has been active in earthquake research for decades, furthering earthquake risk reduction through seismological research and integrated disaster scenarios. She will be talking about her recently released book, *The Big Ones*.

In *The Big Ones*, leading seismologist Dr. Lucy Jones offers a bracing look at some of the world's greatest natural disasters; how they have shaped our cities, impacted governments and influenced the way we think.

This event is generously funded by the Friends of the Library. Admission is free. Seating is limited and available on a first-come, first-served basis. Books will be available for purchase and signing.
