Bernard Cruz, P.E. Bernard is the manager of codes and approvals for Hilti on the west coast. He has been with Hilti for over 15 years where he has worked as a field engineer, project manager, technical services manager, and product manager for anchors. He has also been involved in product development and research. Bernard is well known throughout the company as an expert in the field of Concrete/Masonry Anchorage. As a SEAOSC member, Bernard has been a co-chair of the Younger Member's Forum, a Seismology Committee voting member and currently serves as the Chair of the Education Committee.

Ashley Adkins Ashley is a fire protection specialist for Hilti in Los Angeles County and has worked in the industry for 14 years. She has a Marketing and International Business degree from Oklahoma State University and is currently obtaining a MBA from Pepperdine University.
