Council Policy L-26

Traffic Management Policy

Primary Goals of the Traffic Management Policy

- Manage speeds to levels consistent with residential communities
- Discourage non-local use (cut-through) traffic
- Develop focused neighborhood educational programs
- Include and implement law enforcement action
- Minimize emergency vehicle response times
- Limit shifting traffic from one residential street to another when implementing traffic calming measures
- Respond to concerns or complaints in a timely manner

Open Discussion for Resident Feedback on the Following Topics/Issues:

- SPEED
- CUT-THROUGH
- ACCIDENT
- TRAFFIC CONTROL
- TRAFFIC VOLUMES
- OTHER
