

# Special Tree Removal & Replacement\*

City Staff

HOA or Property Owner

City inspects tree and prepares reports that include mitigation analysis.

Placed on future PB&R agenda for consideration of removal.

OR

No Removal is recommended, applicant may pursue **Petition Process**.

If 60% of residents in 500 foot radius of tree approve the removal, then placed on future PB&R agenda for consideration of removal.

Notice placed on tree at least 30 days prior to the commission meeting.

Commission considers removal request.

If approved tree is posted with new placard notifying the public that the tree will be removed no sooner than 30 days.

OR

If commission denies removal request, Commission may ask for level three assessment or additional mitigation measures
