Open Enrollment for Plan Year 2022

Dear City of Newport Beach Retiree,

Open Enrollment is just around the corner! Please read carefully, as the process for submitting your paperwork has changed:

- Open Enrollment is **September 20 through October 15, 2021**, with changes effective January 1, 2022.
- You must contact CalPERS directly (telephone or online) for changes to your CalPERS health plan enrollment(s), including adding or deleting coverage for yourself and eligible dependents, by October 15, 2021.
- The 2022 CalPERS health plan contribution is \$149, which is paid directly to CalPERS on your behalf and applied towards the cost of your medical insurance premium. Hybrid Retiree Health Savings (RHS) plan participants receive the remaining balance of the monthly City contribution into their RHS account.
- The City's dental and vision plans will continue with MetLife with no premium or plan changes for 2022. Enrollment changes to dental and vision plans can only be made if you are a current member of either plan. Please review the enclosed benefit charts for MetLife plan information.
- The City's annual Health and Wellness Retiree Corner will be available virtually beginning Monday, September 20, 2021 on the City of Newport Beach website. Please visit the Retiree Corner at: <https://www.newportbeachca.gov/government/departments/human-resources/virtual-health-fair> for important plan information, helpful resources and a fillable Retiree Open Enrollment form.
