SUBMISSION OF WRITTEN MATERIALS:

If you wish to submit written materials for review by the Commission, please observe the following:

- Submit your written materials to the Commission staff no later than 5:00 p.m. on the Friday before the hearing (staff will then distribute your materials to the Commission). Note that materials received after this time will not be distributed to the Commission.
- Mark the agenda number of your item, the application number, your name and your position in favor or opposition to the project on the upper right hand corner of the first page of your submission. If you do not know the agenda number, contact the Commission staff person listed on page 2.
- A current list of Commissioners' names and addresses is available on the Coastal Commission's website at <http://www.coastal.ca.gov/roster.html>. If you wish to submit materials directly to Commissioners, we request that you mail the materials so that the Commissioners receive the materials no later than Thursday of the week before the Commission meeting. You must provide Commission staff with a copy of any materials that you provide to Commissioners. Please mail the same materials to all Commissioners, alternates for Commissioners, and the three non-voting members on the Commission with a copy to the Commission staff person listed on page 2.
- You are requested to summarize the reasons for your position in no more than two or three pages, if possible.

Please note: While you are not prohibited from doing so, you are discouraged from submitting written materials to the Commission on the day of the hearing, unless they are visual aids, as it is more difficult for the Commission to carefully consider late materials. The Commission requests that if you submit written copies of comments to the Commission on the day of the hearing, that you provide 20 copies.

Oral testimony may be limited to 3 minutes or less for each speaker depending on the number of persons wishing to be heard.

If the item is removed, the public hearing described above will still be held at the point in the meeting originally indicated on the agenda.

No one can predict how quickly the Commission will complete agenda items or how many will be postponed to a later date.
