

READY, SET, GO!
AS WILDFIRE APPROACHES

Early evacuation is the best way to protect yourself and your loved ones during a wildfire. As a wildfire approaches, follow these steps to help prepare your family and home, and make your evacuation safer.

Have The 6 P's ready in case you have to evacuate:

1. People and pets.
2. Papers, phone numbers, and important documents.
3. Prescriptions and eyeglasses.
4. Pictures, family keepsakes, and other meaningful items.
5. Personal computers, hard drives, tablets, or other data storage devices, including cell phones and chargers.
6. Plastic credit cards, ATM cards, and cash.
