## Active Kids Registration Tips

Active Kids Registration is similar to buying tickets to your favorite concert. Due to high demand, spots will sell out in seconds. Please follow these steps to help with a speedy registration, but also remember that not everyone will get into this highly sought-after program. We do our best to enroll as many participants off the waitlist as possible by tracking attendance, so please be patient, but also have a plan B.

**1. With ample time before registration opens (preferably days):**

- a. Create a profile for yourself and the participant(s)
- b. [newportbeachca.gov/register](https://newportbeachca.gov/register)

- d. Practice adding an activity to your cart and assigning a participant.
- e. **If you already have an account**, please try to log in to ensure you have the correct password and login name.
