PUBLIC WORKS DEPARTMENT

IMPORTANT NOTICE

NEWPORT BEACH JUNIOR LIFEGUARD  
BUILDING PROJECT  
(C-7524-2)

Dear Resident/Business Owner:

The City of Newport Beach has awarded a construction contract to TELECU Construction Management Inc., for the Newport Beach Junior Lifeguard Building Project (C-7524-2). The new Junior Lifeguard Building will replace the existing temporary facility. The affected areas will be the A Street and Main Street Parking Lots adjacent to the Balboa Pier.

The contractor will begin construction on September 05, 2023. We anticipate the opening for the new Junior Lifeguard Building will be Winter 2023. If inclement weather is encountered, the contractor is allowed additional working days to complete the work.

Normal working hours are limited to 7:00 a.m. to 4:00 p.m., Monday through Friday. Should the contractor elect to work outside the normal working hours, with Engineer's approval, the times would be 4:00 p.m. to 6:30 p.m., on weekdays.

Traffic restrictions at and adjacent to the work area may be required. "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the construction area will be towed away on work days. We request that you observe these restrictions and any other traffic controls in the area.

Please exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

**East Coast Highway and San Miguel Pavement  
Rehabilitation C-8925-2**

Dear Resident:

The City awarded a construction contract to All American Asphalt to rehabilitate East Coast Highway from Jamboree Road to MacArthur Blvd. and San Miguel Drive from Newport Center Drive to MacArthur Blvd. Refer to the reverse side for a map of the project limits.

The proposed improvements include replacing deteriorated concrete, repaving the bike trail, cold milling and overlaying the asphalt pavement, traffic signing, and striping, and utility adjustments.

Normal working hours are limited to 7:00 a.m. to 4:30 p.m., Monday through Friday. The paving operation will occur at night. Night-time working hours are limited to 9:00 p.m. to 5:00 a.m., Sunday night through Friday morning.

Traffic restrictions at and adjacent to the work locations will be required on days that work is to be performed. "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the construction area will be towed away on work days. We request that you observe these restrictions and any other traffic controls in the area.

PUBLIC WORKS DEPARTMENT  
**IMPORTANT 48-HR NOTICE**  
**AD 111 ALLEY RECONSTRUCTION**  
Contract No. 8820-2

Dear Resident:

The City's contractor is scheduled to begin construction in the alley adjacent to your property. In order to facilitate construction, the alley will be closed on the dates noted below:

4/15/24 - 4/26/24

The City is issuing temporary parking permits to each impacted property to relocate vehicles temporarily. **Only residents who will not have access to their garage will be issued permits.** Residents with temporary parking permits are allowed to park in the designated "Permit Parking Only" located at the parking lot between 26<sup>th</sup> and 23<sup>rd</sup> St (see reverse side). Please note the effective dates shown on your permit.

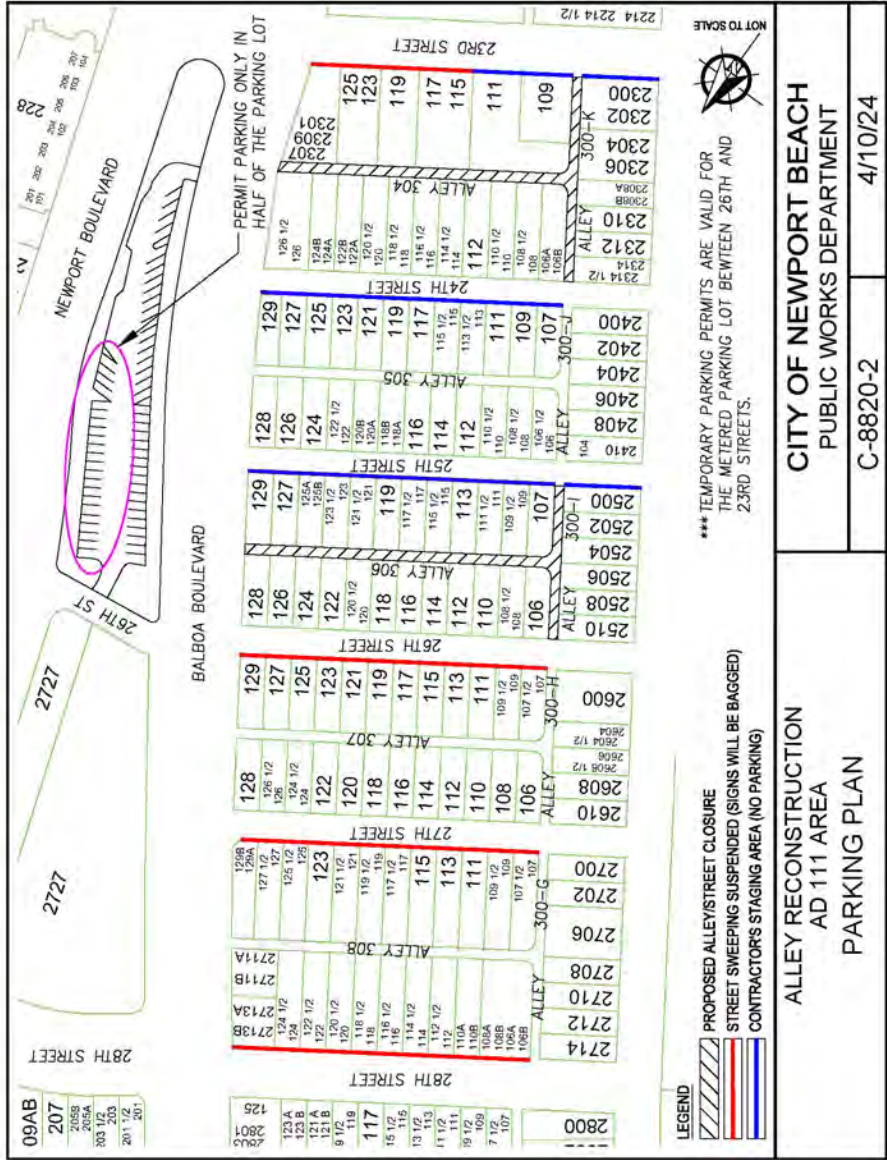

Please comply with the posted "No Parking, Tow-Away" signs as vehicles parked within the posted area will be towed away on work days. We request that you observe these restrictions and any other traffic controls in the area. No-Parking / Street Sweeping signs will be bagged to allow for more on street parking for the duration of this construction.

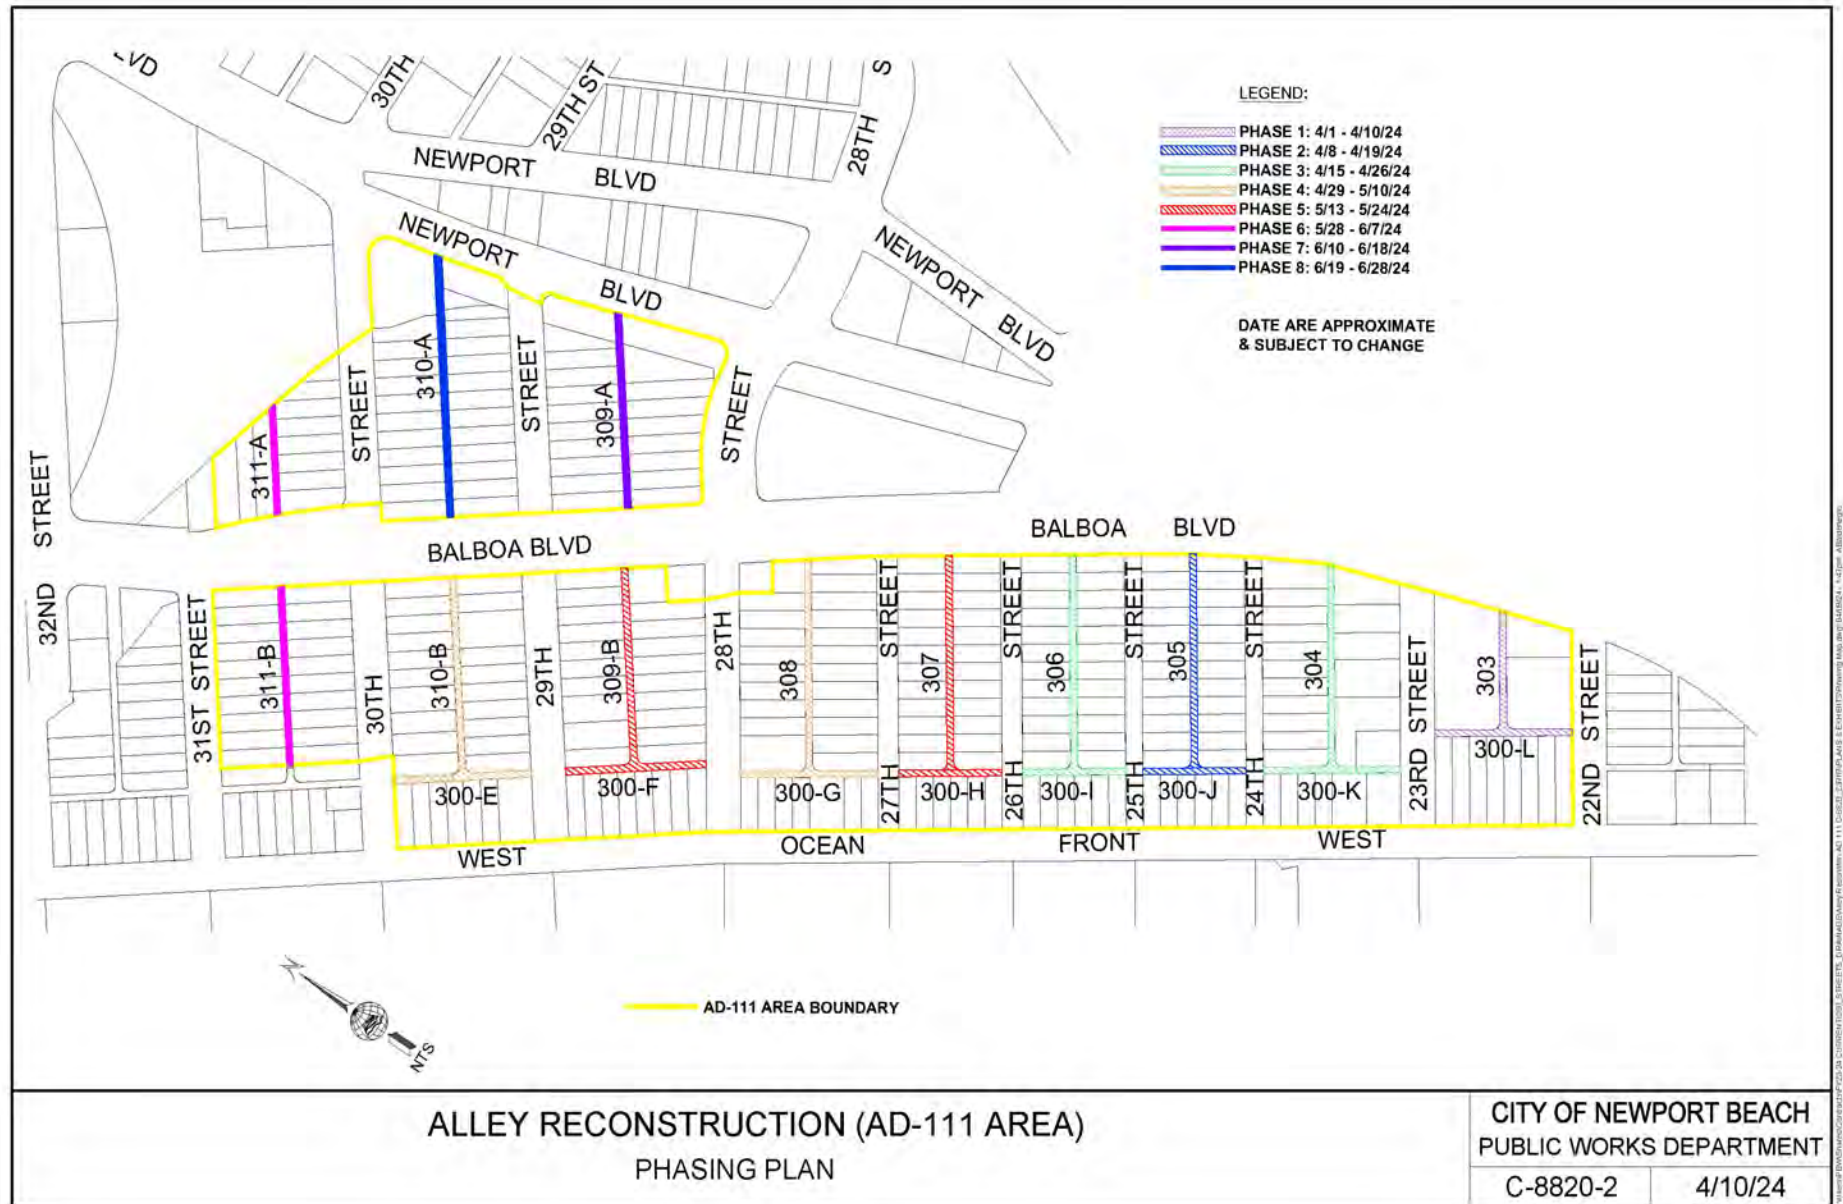

Trash pickup will continue on its normal schedule. The contractor will be responsible for coordinating trash pickup with the City's Refuse Division and can assist in carrying your trash cans to the streets for pickup. In order to facilitate this process, we are asking residents to write their address on each trash can. **Trash receptacles must be placed outside in the alley no later than 7:00 AM for pick up.**

Exercise caution when driving and/or walking through the construction zone and construction materials tend to attract the interest of small children. Please be aware of all construction activities to avoid the potential for injury. Most importantly, we can respond accordingly.

Your cooperation in making these projects successful will be greatly appreciated. For additional information or questions concerning this project, please call:

- Project Inspector: Tom Legault, (949) 677-0669
- Project Manager: Anna Baldenegro, (949) 644-3034

## PUBLIC WORKS DEPARTMENT ADVANCED CONSTRUCTION NOTICE

### AD 111 Alley Reconstruction C-8820-2

Dear Resident:

The City has awarded a construction contract to Grigolla & Sons, to reconstruct the alleys after utility undergrounding in your community.

The Contractor is scheduled to start in April 2024 and to be completed in September 2024. Please refer to the reverse side for a map of the general work area.

Normal working hours are limited to 7:00 a.m. to 4:30 p.m., Monday through Friday.

Traffic restrictions at and adjacent to the work locations will be required on days that work is to be performed. "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the construction area will be towed away on working days. We request that you observe these restrictions and any other traffic controls in the area.

Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, please notify us of any problems so that we can respond accordingly.

The City's refuse collection and street sweeping will continue on its normal schedule. The contractor will assist by taking receptacles to where they can be collected easily.

Your cooperation in making this project successful is greatly appreciated. Should you have any questions or concerns, please feel free to call:

Tom Legault, City Project Inspector (949) 677-0669  
Anna Baldenegro, City Project Manager (949) 644-3034

IMPORTANT 48-HR NOTICE

UNDERGROUND UTILITY ASSESSMENT DISTRICT NO. 124 – PHASE 1  
(CENTRAL BALBOA ISLAND)  
Contract No. 9451-1

Dear Resident:

The City’s contractor is scheduled to begin construction in the alley and street adjacent to your property. In order to facilitate construction, the alley and street (as shown on the reverse side) will be closed on the dates noted below:

4/11/2024 to 5/1/2024

The scope of work includes, sawcutting and removal of existing pavement, trench shoring, dewatering, installing vault, underground utility main line conduits and services, pull boxes, hand holes, backfilling trench and temporary pavement replacement.

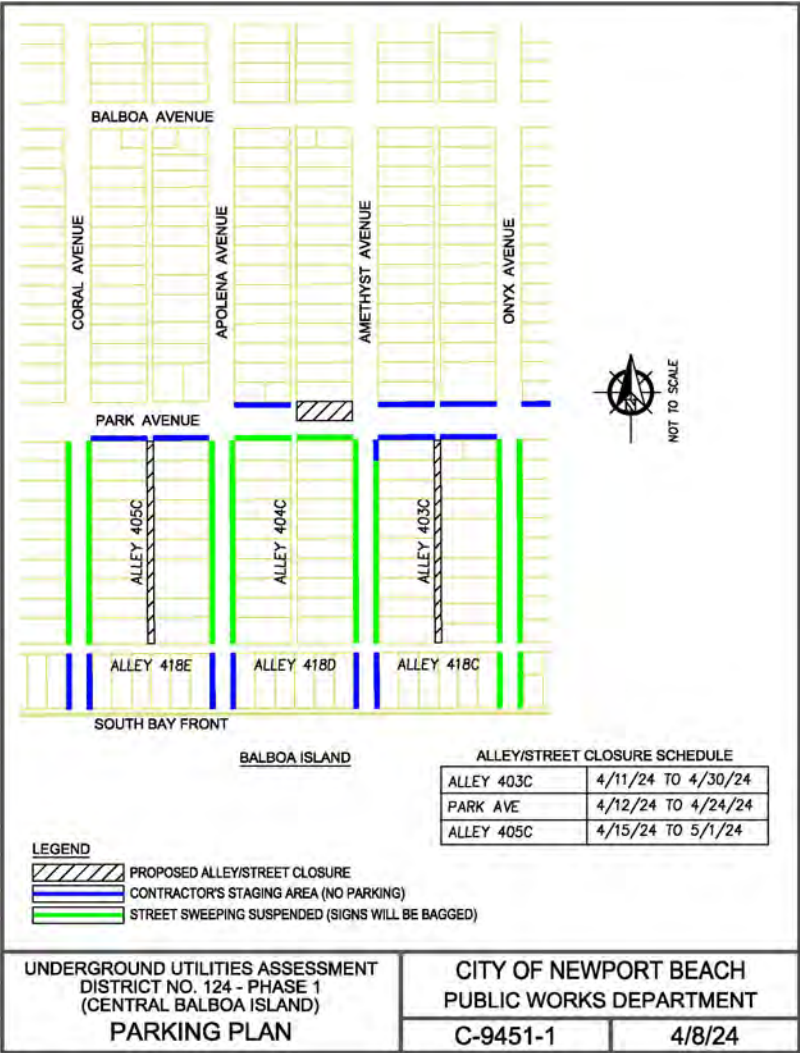

Please comply with the posted “No Parking, Tow-Away” signs as vehicles parked within the posted area will be towed away on work days. We request that you observe these restrictions and any other traffic controls in the area. No-Parking / Street Sweeping signs (as per Parking Plan on reverse side) will be bagged to allow for more on street parking for the duration of this construction. Note that once construction in your alley has been completed and the alleyway has been re-opened for your use, bags covering the No-Parking signs that front your street will be removed, street sweeping will continue its regular schedule and parking will be enforced.

Trash pickup will continue on its normal schedule. The contractor will be responsible for coordinating trash pick-up with the City’s Refuse Division and can assist in carrying your trash cans to the streets for pickup. In order to facilitate this process, we are asking residents to write their address on each trash can. **Trash receptacles must be placed outside in the alley no later than 7:00 AM for pick up.**

Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

Your cooperation in making these projects successful will be greatly appreciated. For additional information or questions concerning this project, please call:
