

WELCOME TO AQUATRAX

VALUED CITY OF NEWPORT BEACH WATER CUSTOMER:

The City of Newport Beach is unveiling AquaTrax – a new tool for our customers to easily track their water use online.

KEY AQUATRAX BENEFITS INCLUDE:

- Track average daily use
- Leak alerts
- Water use alerts

CUSTOMERS WITH DIGITAL METERS

City customers with a digital meter can track average daily use and by billing period.

CUSTOMERS WITH TRADITIONAL DIAL METERS

Customers who still have a traditional dial meter will

have access to bi-monthly water usage until their meter is upgraded by the City as part of its current transition to digital meters.

HOW TO VIEW YOUR WATER USE AND BUDGET

You can see your water use and budget by entering the same user name and password used to pay your water bill.

If you have not set up online bill pay you can still access your water use by registering at www.nbca.gov/wateruse.
