

GPAC Noise Element Subcommittee Agenda – December 13, 2024

Time: 12/13/2024, 2:00 - 4:00 pm

Location: City Hall, Bay 1B, “Newport Beach” meeting room (in person) / also online ([details](#))

1. Roll call

2. Odds & Ends

- Several topics have been suggested for discussion, such as the anticipated impacts of Advanced Air Mobility and further clarification of enforcement of existing regulations.
- **Objective:** Ensure there is still interest in topics not yet scheduled.

3. Recap of Initial Policy Review

- At the December 6 meeting, the subcommittee began, but did not conclude, its review of the goals and policies in the [existing Noise Element](#).
- **Objective:** Confirm any conclusions reached at that meeting.

4. Continued Review of Existing Noise Element Policies

- The existing Noise Element presents 34 policies under five goals, as well as establishing noise standards referenced within selected policies.
- **Objective:** Continue discussion, focusing on:
 - Construction noise
 - Decibel standards for siting new development vs. for code enforcement
 - Missing policies?

5. Next Steps/Open Discussion

- This is an opportunity for attendees to suggest future direction.

6. Future Meetings

- Set date for next meeting.
