

COMMUNITY MEETING & RESIDENT SURVEY CDBG Five-Year Consolidated Plan (2025-29)

In advance of preparing the Consolidated Plan for 2025-29, the City of Newport Beach and the Community Development Department invite you to attend a meeting to discuss the short- and long-term needs of the community, and how federal Community Development Block Grant (CDBG) program funds may be used to meet those needs.

The community meeting will be held to solicit public comments from interested citizens, local public service organizations and other stakeholders, as to the needs of the community. The information received will be used by the City in the development of the City's CDBG Five-Year Consolidated Plan, a U.S. Department of Housing and Urban Development (HUD) grant received by the City each year to implement programs and projects that benefit low- and moderate-income people.

All interested persons are invited to attend the following meeting:
