After Class Enrichment

The Newport Beach Recreation & Senior Services Department is excited to introduce After Class Enrichment (A.C.E.) programs to Newport Coast Elementary this year! A.C.E. is a series of programs designed to further enhance your child's curriculum by providing high quality instruction in a variety of recreational activities held on campus immediately after school dismissal.

MONDAY

Sept. 8 - Nov. 17
No class 10/20

Continuing Spanish | Conversa

1st-3rd | 2:38-3:54pm | \$350 | NCE10A
4th-6th | 2:54-3:54pm | \$280 | NCE10B

The Continuing Spanish class is designed for returning students who were enrolled in the Beginning Spanish program in 2025-2026. While practicing vocabulary and structures learned last year, students will acquire more and additional essential language skills to communicate in Spanish. Because acquiring a language is a long-term process that requires repetition, students who enrolled in the Continuing Spanish class last year will also benefit from the additional exposure to previously learned vocabulary.

Painting, Drawing, Printing, Clay | Lisa Albert

TK-3rd | 2:38 -3:54pm | \$465 | NCE11A
4th-6th | 2:54-3:54pm | \$450 | NCE11B

Students will paint, draw, collage and print on a variety of materials such as canvas, quality paper, metal, as well as clay and wood while keeping within the Fall time theme. Fundamental techniques, skills & art appreciation will be taught by a professional artist and teacher. Experience this wonderful and exciting class and take home some amazing masterpieces.

TUESDAY

Sept. 9 - Nov. 18
No class 10/21, 11/11

Strategic Chess | Strategic Kids

TK-3rd | 2:38-3:54pm | \$198 | NCE12A
4th-6th | 2:54-3:54pm | \$162 | NCE12B

We bring the ancient and amazing game of chess to life! Our story-based lessons are tailored to the skill level of the students meaning all chess levels are welcome! In each class, children receive a dynamic lesson followed by chess playing time where they can practice what they have learned and make new friends! Chess teaches many life skills including sportsmanship, patience, strategic thinking, planning ahead, and learning from your losses. The session will end with a fun tournament where students have the opportunity to win trophies and prizes!

Electrical Engineering | All Things Science

1st-3rd | 2:38-3:54pm | \$252 | NCE13A
4th-6th | 2:54-3:54pm | \$252 | NCE13B

Students will explore what it takes to be an electrical engineer as they build circuits from scratch, create DIY flashlights, assemble motorized robots, and construct mini electric vehicles (EVs) inspired by Tesla. Each week, they'll take on a new circuitry project while learning how electricity and solar energy work together to power the world around us. Join us at All Things Science for a hands-on journey into the world of electrical engineering.

WEDNESDAY

Sept. 10 - Nov. 19
No class 10/22, 11/5

CORE Athletics | Core Athletics

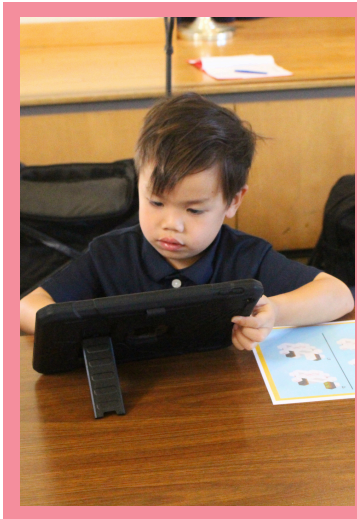

TK-3rd | 1:50-3:30pm | \$495 | NCE14A
4th-6th | 2:02-3:30pm | \$420 | NCE14B

CORE Athletics raises the bar on after-school programs and takes your child's physical education to the next level. These multi-sport classes provide the dose of activity kids need to stay strong & healthy throughout the school year while catering to the needs, experience level, age, and ability of all participants. Coaches will improve your child's sports skills such as throwing, catching, body control, and agility and create teaching moments to weave important life lessons such as sportsmanship, teamwork, leadership, resilience and appropriate peer interaction into every game.

Lando Engineering and Robotics | Lando Interactive

1st-3rd | 1:50-3:20pm | \$252 | NCE15A

Students discover an excitement for engineering as they design, prototype, and test creative solutions to real-world issues—all with LEGO bricks, Technic parts, and motors. Every session in our WASC-accredited, award-winning program features 6 to 8 new, open-ended projects, engaging both brand-new builders and expert LEGO fans.

THURSDAY

Sept. 11 - Nov. 20
No class 10/23

TechKidz: Minecraft | Parker-Anderson Enrichment

1st-3rd | 2:38-3:54pm | \$215 | NCE16A
4th-6th | 2:54-3:54pm | \$205 | NCE16B

Come join us to learn about and play the most popular computer game on the planet! Learn Minecraft building techniques, details of commands, and how to change the look of the game by playing on the provided devices. Students learn strategy, building, and cooperation skills while playing Minecraft in a fun, safe, and supervised environment!

European Style Soccer Classes | Pregoni Fútbol Training

TK-3rd | 2:38-3:54pm | \$380 | NCE17A
4th-6th | 2:54-3:54pm | \$360 | NCE17B

Group soccer sessions conducted on-site with dedicated coaches and all necessary equipment provided for each session. With unique and fun drills that build player-ball relationships and our passionate European-style coaching, we offer an unforgettable journey for kids of all levels and ages! Experience a memorable journey on the field where skills grow, teams bond, and the fun never stops!

FRIDAY

Sept. 12 - Nov. 21
No class 10/10, 10/24

Spanish for Beginners | Conversa

TK-3rd | 2:38-3:54pm | \$315 | NCE18A
4th-6th | 2:54-3:54pm | \$252 | NCE18B

Learn Spanish becoming more fluent and confident. Our approach to teaching languages is an input-based instruction of vocabulary in a way that is comprehensible. It's similar to how you learned your native language. You'll acquire some of the most frequently used words and phrases to help you build your communication skills

Thoughtshop | Jennifer Trevour

1st-3rd | 2:38-3:54pm | \$315 | NCE19A
4th-6th | 2:54-3:54pm | \$300 | NCE19B

Brains grow best when given time to breathe. Thoughtshop is a playful, research-informed mindfulness class that helps kids build emotional awareness, resilience, and self-regulation—skills that quietly power success in any setting. Using our signature Play & Pause approach, students toggle between energizing games and calming reflection, learning how to reset and refocus with confidence. A favorite at other campuses, this joyful, low-pressure class complements busy lives and supports emotional agility—whether your child is a budding engineer, performer, or athlete (or all three).

Please note all grade levels will be in the same classroom
