FOR IMMEDIATE RELEASE

PRESS RELEASE #25-004

September 25, 2025

Newport Beach, CA – October 5, 2025 – The Newport Beach Fire Department (NBFD) is set to host its annual Fire Service Day. The event will take place at Santa Ana Heights Fire Station #7, 20401 SW Acacia Street, Newport Beach, CA 92660, on October 5, 2025 between 11:00am – 2:00pm.

Fire Service Day

This event is great for the whole family! There will be interactive displays to look at, station tours, face painting, a station for kids to spray a hose line, a bounce house and multiple live demonstrations including an auto extrication, a rescue, and a live fire. We will be cooking up complimentary hot dogs and hamburgers with drinks for everyone to enjoy. NB Lifeguards will have their rescue watercraft on site with a static display, while the Community Emergency Response Team (CERT) will provide information on the program. The Fire Prevention team will be set up to showcase their efforts in the community. Tora the Fire Support dog will be wagging her tail in support of the event. The recently formed Newport Beach Fire Foundation has been working diligently to provide support to our firefighters and lifeguards over the past year. They will have a booth set up for those who would like to make a donation to support our local first responders.

Please join us for an exciting and educational day at your local fire station 7. Firefighter apparel and memorabilia will be on sale, with proceeds going to the Newport Beach Firefighters' Association.

For further information or inquiries, please contact the Newport Beach Fire Department Public Information Office or dgibson@nbfd.net.
