PUBLIC WORKS DEPARTMENT  
**ADVANCE  
CONSTRUCTION NOTICE**  
Concrete Replacement Program  
FY 2025-26 (C-9945-1)

Dear Resident/Business Owner:

The City has awarded a construction contract to CJ Concrete Construction, Inc. to replace damaged concrete sidewalks, driveway approaches, curbs and gutters, cross gutters, curb inlets, and curb ramps at isolated locations in your community. City trees that have caused damage may be removed and replaced. Refer to the reverse side for a map of the project area.

**Schedule:** Construction is scheduled to begin on December 1<sup>st</sup>, 2025. Work in your specific area may begin at a later date. Normal working hours are limited from 7:00 a.m. to 4:30 p.m., Monday through Friday.

**Parking:** Traffic restrictions at and adjacent to the work locations may be required on days that work is performed. "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the construction area will be towed away on working days. We request that you observe these restrictions and any other traffic controls in the area.

**Caution:** Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, please notify us of any problems so that we can respond accordingly.

## ADVANCED CONSTRUCTION NOTICE CATHODIC PROTECTION UPGRADES PROJECT Contract No. 9483-2

Dear Property Owner:

The City has awarded a construction contract to Teichert, to upgrade the cathodic protection (CP) system for the 18" water line along and near East Coast Hwy between Marguerite Ave and east of Cameo Shores/Cameo Highlands. Work will occur at 1 existing CP test station and will install 4 test stations. Traffic control will be set up from Marguerite Ave to east of Cameo Shores/Cameo Highlands at different times during the dates listed below. The Contractor is scheduled to start in January and should be completed in approximately four weeks. Please refer to the reverse side for a map of the general work area.

**1/14/26 – 2/11/26**

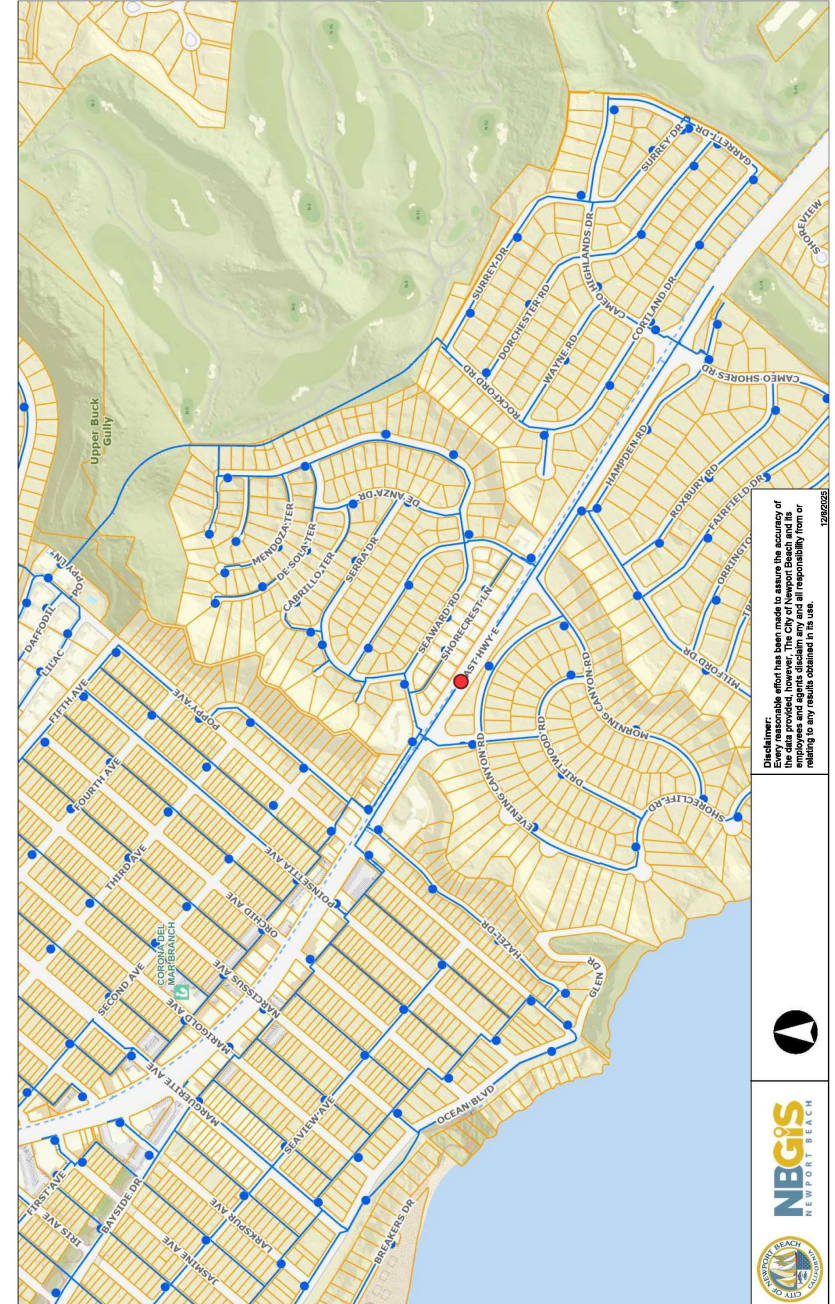

Traffic restrictions at and adjacent to the work locations will be required on days that work is to be performed. Please comply with the posted "No Parking, Tow-Away" signs as vehicles parked within the posted area will be towed away on working days. We request that you observe these restrictions and any other traffic controls in the area.

Normal working hours are limited to 7:00 AM to 3:30 PM, Monday through Friday.

Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

Your cooperation in making these projects successful will be greatly appreciated. For additional information or questions concerning this project, please call:

- Project Inspector: Matt Bullman, (949) 270-8133
- Project Manager: Anna Baldenegro, (949) 644-3034

## ADVANCED CONSTRUCTION NOTICE

### WEDGE WALKWAY

Contract No. 7979-3

Dear Resident:

The City has hired Grigolla & Sons, to construct the Wedge Walkway at the end of Channel Road in your community. The Contractor is scheduled to start and complete in January 2026. Please refer to the reverse side for a map of the general work area and approximate dates of construction.

**01/12/26 – 01/23/26**

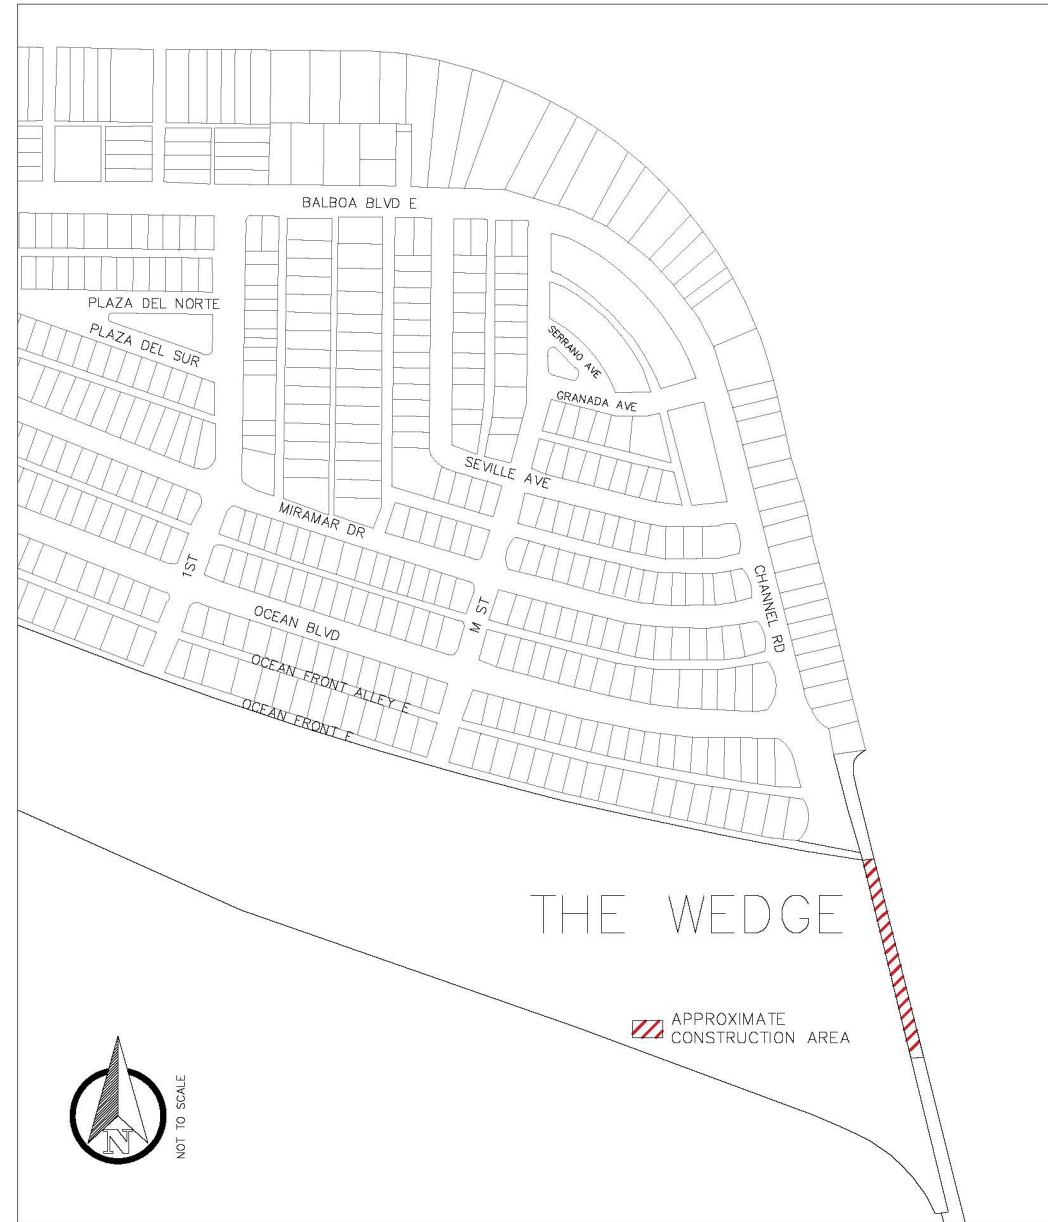

Traffic restrictions will be in effect at and adjacent to the work locations on days when work is scheduled to be performed. Please comply with the posted "No Parking, Tow-Away" signs, as vehicles parked within the posted area will be towed away on working days. We request that you observe these restrictions and any other traffic controls in the area. Please plan accordingly and park offsite as needed.

Normal working hours are limited to 7:00 AM to 4:30 PM, Monday through Friday.

Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

Your cooperation in making these projects successful will be greatly appreciated. For additional information or questions concerning this project, please call:

- Project Inspector: Matt Bullman, (949) 270-8133
- Project Manager: Ben Davis, (949) 644-3317

## IMPORTANT 48-HR NOTICE

**UNDERGROUND UTILITY ASSESSMENT DISTRICT NO. 124 – PHASE 2  
(CENTRAL BALBOA ISLAND)  
Contract No. 9451-2**

Dear Resident:

The City's contractor is scheduled to begin construction in the alley and street adjacent to your property. To facilitate construction, the alley and street (as shown on the reverse side) will be closed on the dates noted below:

**11/10/2025 to 2/27/2026**

The scope of work includes, sawcutting and removal of existing pavement, trench shoring, dewatering, installing vaults, underground utility main line conduits and services, pull boxes, hand holes, backfilling trench and temporary pavement replacement.

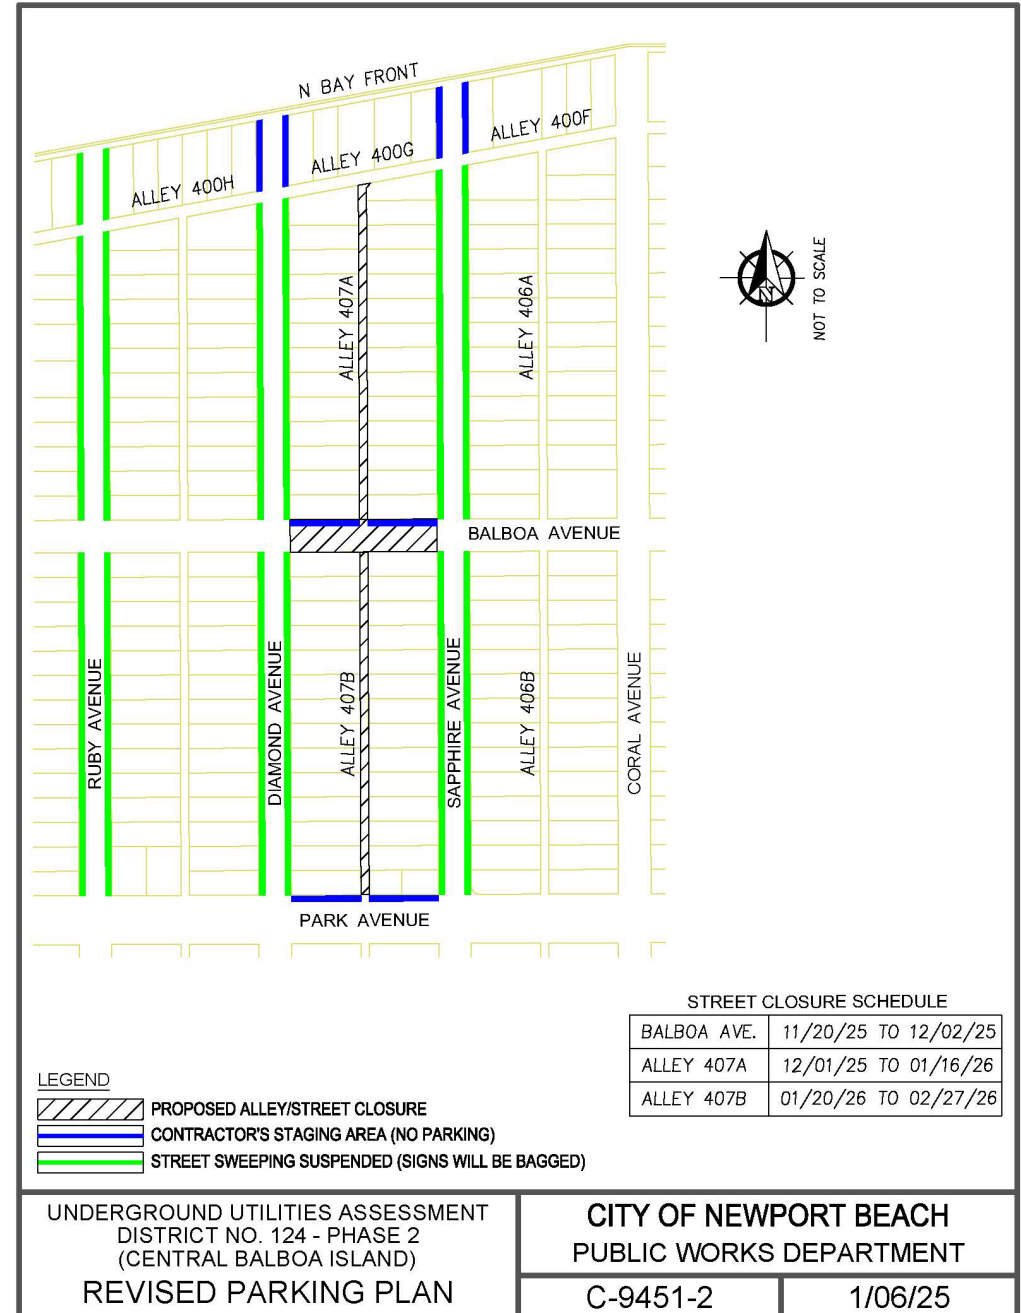

Please comply with the posted "No Parking, Tow-Away" signs as vehicles parked within the posted area will be towed away on work days. We request that you observe these restrictions and any other traffic controls in the area. No-Parking / Street Sweeping signs (as per Parking Plan on reverse side) will be bagged to allow for more street parking for the duration of this construction. Note that once construction in your alley has been completed and the alleyway has been re-opened for your use, bags covering the No-Parking signs that front your street will be removed, street sweeping will continue its regular schedule and parking will be enforced.

Trash pickup will continue its normal schedule. The contractor will be responsible for coordinating trash pick-up with the City's Refuse Division and can assist in carrying your trash cans to the streets for pickup. To facilitate this process, we are asking residents to write their address on each trash can. **Trash receptacles must be placed outside no later than 7:00 AM for pick up.**

Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

Your cooperation in making these projects successful will be greatly appreciated. For additional information or questions concerning this project, please call:

- Project Inspector: Marcus Puglisi, (949) 795-6942
- Project Inspector: Joe Chiquete, (949) 922-8704
- Project Manager: Alfred Castanon, (949) 644-3314
