CONSTRUCTION NOTICE
Concrete Replacement Program
FY 2025-26 (C-9945-1)

Dear Resident/Business Owner:

The City has awarded a construction contract to CJ Concrete Construction, Inc. to replace damaged concrete sidewalks, driveway approaches, curbs and gutters, cross gutters, curb inlets, and curb ramps at isolated locations in your community. City trees that have caused damage may be removed and replaced. Refer to the reverse side for a map of the project area.

Schedule: Construction is scheduled to begin on December 1st, 2025. Work in your specific area may begin at a later date. Normal working hours are limited from 7:00 a.m. to 4:30 p.m., Monday through Friday.

Parking: Traffic restrictions at and adjacent to the work locations may be required on days that work is performed. "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the construction area will be towed away on working days. We request that you observe these restrictions and any other traffic controls in the area.

Caution: Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, please notify us of any problems so that we can respond accordingly.

Bay Crossing Water Transmission Main and Sewer Force Main Rehabilitation

Contract No. 8487-3

Dear Resident:

The City has awarded a construction contract to TE Roberts to line the water transmission main and two sewer force mains that cross under Newport Bay. Work will be performed at the vaults on each side of the crossings and includes replacing the pipeline to the manhole. The Contractor is scheduled to start on February 9, 2026, and complete by the first week of December 2025. Please refer to the reverse side for a map of the general work area and approximate dates of construction.

2/9/26 – 4/1/26

Traffic restrictions at and adjacent to the work locations will be required on days that work is to be performed. Please comply with the posted "No Parking, Tow-Away" signs, as vehicles parked within the posted area will be towed away on working days. We request that you observe these restrictions and any other traffic controls in the area.

Normal working hours are limited to 7:00 AM to 4:30 PM, Monday through Friday.

IMPORTANT CONSTRUCTION NOTICE

EAST IRVINE TERRACE WATER MAIN REPLACEMENT

Contract No. 9835-1

Dear Resident:

The City's contractor is scheduled to begin construction in the street adjacent to your property. To facilitate construction, the street (as shown on the reverse side) will be closed on the dates noted below:

3/30/2026 to 4/17/2026

The project scope of work calls out for sawcutting street pavement, pavement removal and trenching, construction of new PVC water mains, water valves, water services including water meters and boxes, fire hydrants and other pertinent work that will improve service reliability, water distribution and fire flows.

To shorten the construction duration and minimize the impact to the community, traffic restrictions at and adjacent to the work locations will be required on days that work is to be performed. "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the construction area will be towed away on work days. We request that you observe these restrictions and any other traffic controls in the area. Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

Trash pickup will continue its normal schedule. The contractor will be responsible for coordinating trash pick-up with the City's Refuse Division and can assist in carrying your trash cans for disposal. To facilitate this process, we are asking residents to write their address on each trash can. **Trash receptacles must be placed outside in the street no later than 7:00 AM for pick up.**

If inclement weather is encountered the contractor is allowed additional working days to complete the project.

Normal working hours are limited to 7:00 a.m. to 4:30 p.m. Monday through Friday.

Your cooperation in making these projects successful will be greatly appreciated. For additional information or questions concerning this project, please call:
