                      **The Planning Center**

---

This is to inform you that the proposed project site at 1107 Jamboree Road in the City of Newport Beach is located within the service territory of COX Communications.

COX services from digital phone service to high-speed internet to commercial cable TV services can be provided from our existing facility along Jamboree Road.

If you have any questions or require further information regarding our existing services, please feel free to contact me at (949) 546-2484.
